Hello,

this is an offer for an insurance for your trip. On the next page you will find a comparison of four insurance variants.

The differences lay mainly in insurance sums (e.g. costs of medical treatment, personal accident insurance, luggage) and in the scope of the insurance (e.g. medical emergency costs, civil liability, assistance).

We also marked the extensions, which may be best suited to your style of travelling.

We hope that this offer will meet your expectations and help finding the most suitable insurance protection for your trip.
